

2022 Tour de Corn Rider Guide

RIDE SMART

All signs are pointing to the fact, it's going to be a warm one this year. As with any Tour de Corn event, we ask that you PLEASE ride according to your skill, your training, and your overall health – but especially in warmer temperatures – **we ask that you ride at your own risk and ride smart in order to have a great experience!**

You must understand that heat and humidity will likely impact your normal cycling performance. You will never perform as well in 90 degree temperatures as you will on a 60 degree day because you expend a tremendous amount of energy dissipating heat and regulating your body temperature. And while we are adding water/shade stops, wifi coverage, and additional cooling elements, we need YOU to monitor yourself and stay safe.

IF YOU ARE HAVING A MEDICAL EMERGENCY – ALWAYS CALL 911 FIRST!

WATCH FOR SAG

Please save this number into your phone now: 573-620-0726 This is our SAG dispatcher, Dawn, and she will send the closest SAG vehicle to your location as quickly as possible. Our vehicles will be circling with “SAG” flags on their windows watching for riders in need. But you can alert Dawn to your location for more immediate help.

HYDRATE & NOURISH

It is critical for you to stay hydrated and nourished throughout your event, **SO DRINK BEFORE THE RIDE AND BEFORE YOU ARE THIRSTY**. Our basecamp will have water ready and our rest stops offer water, Gatorade, pickle juice, peanut butter sandwiches, cookies, salty snacks, and of course, our famous sweet corn and watermelon. One good rule of thumb is drink at least every 15 minutes and shoot for a bottle an hour. And remember the salty foods to replace the sodium you are losing with sweat. Consider one recommendation for good hydration strategy: <https://www.roadbikerider.com/cycling-hydration-guide/>

KNOW TURN-AROUND POINTS

For our Century riders, there is a point near mile marker 41 where you may choose to follow the 64-mile route (before the climb segment of the route). Similarly for 64-milers, just before Mile 15, you may choose to follow the 30-mile route. Listen to your body – you only have to prove this to yourself. We want you safe and healthy.

KNOW THE WARNING SIGNS AND TREATMENT RECOMMENDATIONS

HEAT EXHAUSTION	OR	HEAT STROKE
Faint or dizzy		Throbbing headache
Excessive sweating		No sweating
Cool, pale, clammy skin 		Body temp. above 104° Red, hot, dry skin 
Nausea or vomiting		Nausea or vomiting
Rapid, weak pulse 		Rapid, strong pulse 
Muscle cramps 		May lose consciousness 
<ul style="list-style-type: none">• Get to a cooler, air conditioned place, and rest• Drink water if fully conscious• Take a cool shower or use cold compresses		CALL 911 <ul style="list-style-type: none">• Take immediate action to cool the person until help arrives <small>Adapted with permission from cyclingnews.com</small>

Getting to Tour de Corn

East Prairie is located in southeast Missouri.

Approximate Mileage/Times:

- Nine miles from Interstates 55 and 57
- 20 minutes southeast of Sikeston, MO
- 2.5 hours south of St. Louis, MO
- 2.5 hours north of Memphis, TN
- 3 hours west of Nashville, TN
- 5 hours east of Springfield, MO

From I-55

Take exit 58 on to State Hwy 80 east toward East Prairie (nine miles). At the intersection of highways 80 and 105 in East Prairie, turn right staying on State Hwy 80. The staging area will be at the First Church of God Family Life Center (one block on right at 322 North Washington).

From I-57

Take exit 10 onto State Hwy 105 south toward East Prairie (nine miles). At the intersection of highways 80 and 105 in East Prairie, turn left onto State Hwy 80. The staging area will be at the First Church of God Family Life Center (one block on right at 320 North Washington).

From Kentucky and the Dorena Hickman Ferry

From ferry landing – travel about 3/4 mile to junction of Hwy 77 and AB. Turn right onto Hwy 77 north. Travel about 2 miles. At junction of 77 and 102, turn left onto State Hwy 102. Continue on State Hwy 102 for approximately 2 miles to junction of Highways 102 and AB. Turn right staying on State Hwy 102 north for approximately 14 miles. At junction of State Hwys 102 and 80, turn left onto 80 west. East Prairie is one-mile ahead. Continue on Hwy 80 through East Prairie, the ride start is located at the junction of Hwys 80 and 105.

IMPORTANT: The ferry is subject to be closed due to weather or river conditions. Always check for updates at their Facebook page: <https://www.facebook.com/DorenaHickmanFerry/>

Getting to Tour de Corn

Parking for the actual Tour de Corn ride on Saturday Morning

There are several parking lots near the start of the ride that will be available to riders Saturday morning. Vehicle parking is NOT allowed on the Family Life Center lot at ride registration area. One large parking area easily accessed is located at the First Baptist Church at the junction of Highways 80 and 105 (one block from ride start). There is also parking along many side streets and at the East Prairie High School and Middle School parking lots (approximately >1mi from the start of the ride).

Directions to the Family Life Center and Camping Area 322 N. Washington, East Prairie, MO 63845

Follow directions above to East Prairie to the junction of highways 80 and 105. After turning onto Highway 80 east, travel to four-way stop at Washington and Pine Street (Bubba's Convenience Store will be on your right – and Beauton Drug will be past intersection on right). Turn right onto West Pine Street (traveling between the drug and convenience stores). Go one block to two-way stop at the corner of Pine and Garfield (Post Office will be on your left). Turn right at two-way stop onto North Garfield. The Church of God's Family Life Center camping area is one block ahead on the left. Camp sites should be reserved by calling the Church office at 573-649-2138

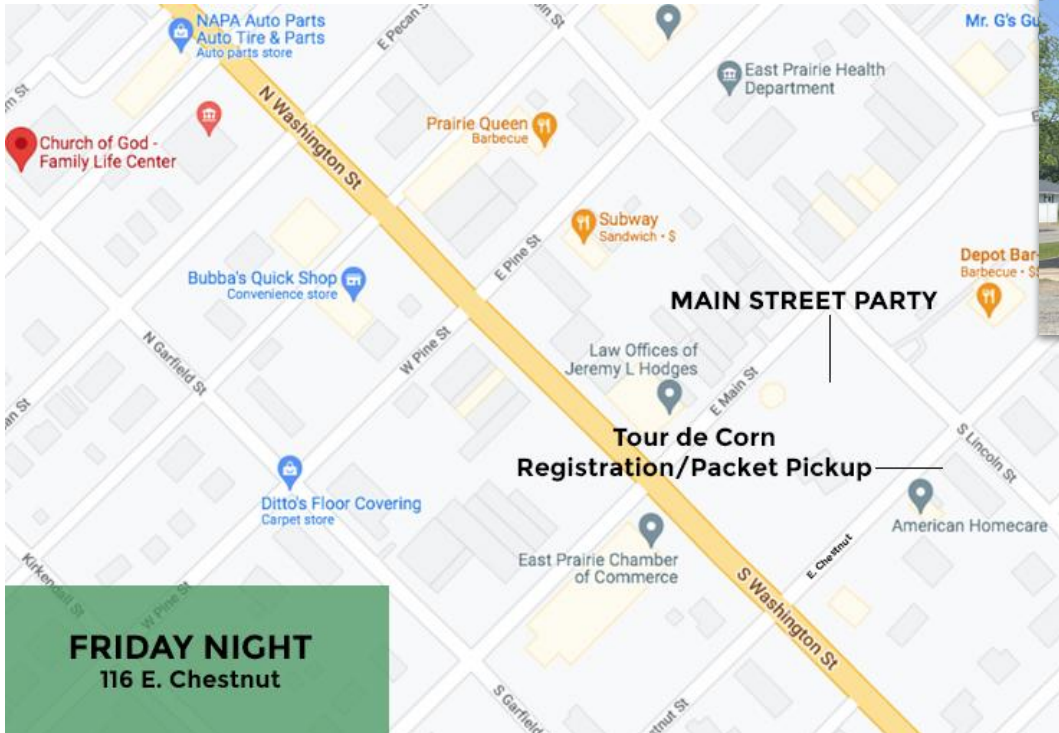

**NOTE FRIDAY
NIGHT PICKUP
ADDRESS
CHANGE TO 116
E. CHESTNUT**

Registration & Lineup/Start

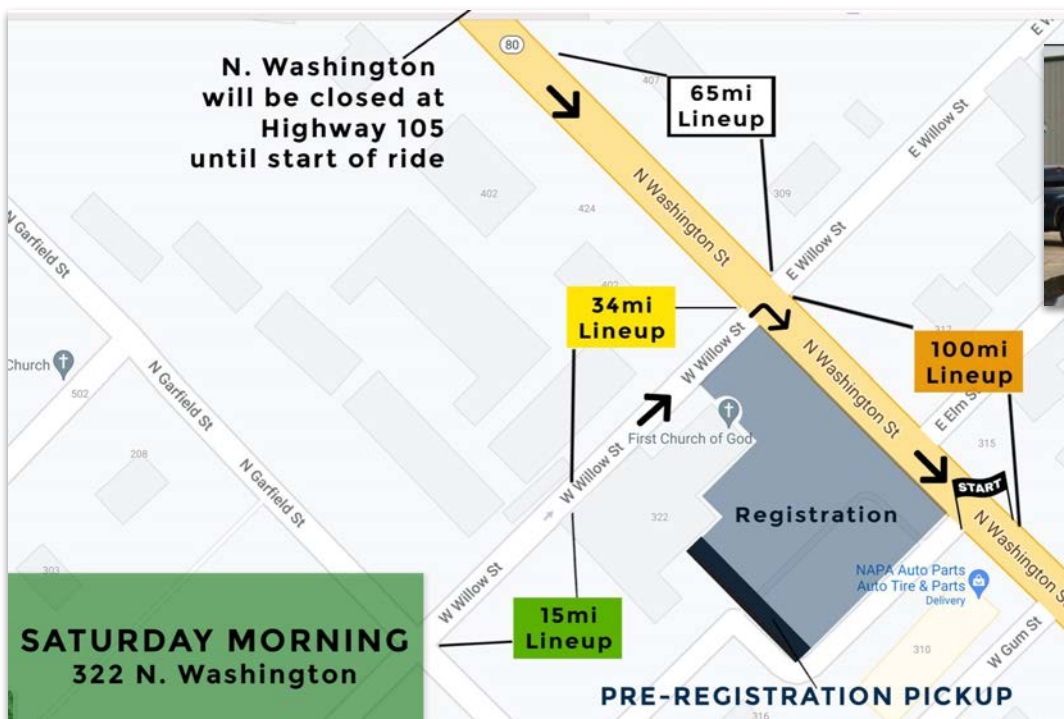

Registration & Check-In

You may pick-up your registration either Friday night or Saturday morning at the locations below.

In order to provide the best safety and efficiency for our ride start, we need you to line up based on your chosen ride (15-, 35-, 65- or 100). This will allow the Century riders to be up front and speed away, our 65-milers to follow behind and so on.

Registration outside the 116 E. Chestnut building

When you get to East Prairie

Registration & Check-In

On both Friday night and Saturday morning, we have a team of local volunteers ready to help get you on the road. To speed up the packet pickup process, please bring your email confirmation of registration. You will receive your ride bib, a few small Tour de Corn goodies and any pre-ordered 2022 Tour de Corn merchandise.

On-Site Registration? Absolutely!

Yes! Want to bring a friend along? No problem! People will be able to register on-site during the Friday and Saturday registration times. Again, to help speed up the process, please have them visit www.tourdecorn.com where we have an on-site form. They will be required to fill out a registration form and signed waiver, but may pay on-site.

Need Help? We're All Ears!

It can get a little busy on the morning of the ride. So our volunteers will be wearing bright yellow smocks. Just ask one of our greeters for help and he or she will get you to the correct person!

Rules of the Road:

No Helmet? No Waiver? = No Ride! No CORN!

A reminder that helmets ARE required on Tour de Corn, so please remember to bring it! And every person (including children) are required to have a signed waiver to participate in the ride. So chances are our Registration Lead Casidy has contacted you about a signed waiver prior to the event. Otherwise, we'll need to get it from you on-site!

Cash, Check or Charge (but have a backup!)

We are excited to offer on-site credit card options for payment via Square. That said, we also hope you'll bear with us since technology can be a friend or foe! It might not hurt to have a backup option of payment...just in case! There are several ATMs within a few blocks of the Tour de Corn registration area. (Also, the "store" is a separate area from our Registration process. So if you want gear, you may need a second check.)

SCHEDULE

FRI
JUN
24

5 p.m. - 8 p.m.

Registration & Packet Pickup opens
EP Main Street Party
(116 E. Chestnut on the corner of Lincoln & Chestnut - Ya' can't miss it!)

5 p.m. - 9:30 p.m.

Get your weekend started with the annual Main Street Party with fun, food and festivities
View full schedule: Next page

SAT
JUN
25

6:30 a.m.

Registration & Packet Pickup opens
Family Life Center
(322 N. Washington)

7:30 a.m.

Let's do this! Rain or shine, be part of the mass start of the ride -- it's a sight to behold! (Registration folks will be on site until about 8:30 a.m.)

3:30 p.m.

The last rest stop closes and our SAG support will wind down, but the Anniston RS team will leave waters for any of our later riders

Out on the Tour de Corn Routes

To help you plan your ride, we have included icons of the various amenities at each rest stop on the 16-, 33-, and 64-mile maps.

Maps & Arrows & Signs...OH MY!

There are four routes on the Tour de Corn each designated with its own color:

- the 16-mile (green)
- the 33-mile (yellow)
- the 63-mile (white) and
- the 96-mile (orange).

Throughout the route, we have road signs placed along the highways to aid in your ride. We also have standard arrows painted in each of the four colors on the pavement.

IMPORTANT NOTE: There may be other markings on the road from other rides, so always take a map as a backup.

Electronic Maps & GPS

We have added a color-coded border on the maps for your convenience. All of the maps are now posted on <https://www.tourdecorn.com/course-map.php> with both geographic and turn-by-turn instructions. This page also includes a link to where the GPX files are available for download via MapMyRide or Ride with GPS. We also have included all the maps at the end of this file.

SAG Support: Here to help!

IF YOU ARE HAVING A MEDICAL EMERGENCY, ALWAYS CALL 911 FIRST!

Your safety and that of our our volunteers' is our #1 priority on this event. So we have pulled together our team of dedicated SAG (Support and Gear) support for you this year! Our SAG drivers will be cruising the routes throughout the day with cold water and a general first aid kit. We also have local law enforcement and first responders on patrol. Should you need a ride back to the start/finish area, the SAG drivers will be happy to transport you and your bike to East Prairie (emergencies take priority).

At registration, PLEASE PICK UP A PRINTED MAP WITH ALL SAG PHONE NUMBERS FOR YOUR ROUTE, BUT ALWAYS START WITH THE SAG DISPATCHER NUMBER -- 573-620-0726 SHE SHOULD HAVE VISUALS ON WHICH SAG DRIVER IS CLOSEST TO YOU.

However, if you cannot reach the Dispatch, please call any of the numbers for back up.

Late Afternoon SAG Support or Late Returns

If you think you may need a longer time on any of the routes, please contact us about having your own SAG team ride with you. Our latest rest stop closes at 3:30 p.m. (this is on the 63- and 100-mile return routes), but we'll leave water out at this stop and will have shade available should you need to take longer on your ride. If you are out on the route and know you will be arriving to the Base Camp after 4 p.m., please let us know at 888-267-6030.

Out on the Tour de Corn Routes

Minor First Aid & Bike Repair

We will have sunscreen, Chamois But'tr, and minor first aid supplies at many of the Rest Stops. Some stops will have a bike stand and air pump as well.

POST-RIDE CHECK IN

We like to watch out for you folks, so please take a moment after the ride to let the Registration team know you're back safe and sound, please.

Don't Hog the Road!

We're a ride not a race, so it's lovely to enjoy the beautiful landscapes. But if you and your group see a car or farm implement coming up behind you (especially if you're riding several bikes wide), please ease over in your lane when safe to do so to give them enough room to pass and then resume your pace. This is especially important for our 15-mile riders – you will face return riders on the 30-mile and 63-mile routes so be sure to give them room!

WiFi at Rest Stops

We're especially excited to offer free WiFi at several rest stops this year – Helping extend the your safety and phone access. Look on your maps for the WiFi symbol to understand which rest stops offer this free service. A BIG Thank You to GoSEMOFiber for this free service to our riders!

We're A Leader In Ag Lending

*W*hen you need to borrow for livestock, feed, machinery, seed, fertilizer, or real estate, come see us.

Our bank is **strong**, our service is **personal** and our loan rates are **very competitive**.

CAUTION! WATCH THESE TRICKIER INTERSECTIONS

Check out these new cautions/hazards and historically tricky turns to make sure you're set for your route!

- **ALL ROUTES:**

Many of you have ridden with us before -- so your routes will likely be different this year. PLEASE check a map before you depart.

- **15s/100 - HIGHWAY 80 LEVEE HAZARD:** for the 15s and 100s heading over the levee--VERY IMPORTANT--on the outbound over the levee, there is a road repair gravel/indentation at the bottom, west side of the levee. Please proceed over this levee with caution.
- **100:** As you leave East Prairie, you may stop at the first rest stop on Highway 80 approx. 7 miles into the route. However, different from previous years, you will continue straight from that rest stop to help alleviate return congestion on Highway 80.
- **65/100:** On Highway 77 heading north, the 65-milers will turn right onto Hwy. D. Century riders will turn left onto Co. Rd. 506 for their loop northward.
- **65/100:** Don't miss the left turn onto Commercial Street in Charleston. It is approx. 4 blocks after the Historical Society RS. Look for Simmons & Graham pharmacy & Focus Bank on the corner.
- **65/100:** After traveling down Commercial and looping past the park, you will come back up Cypress to Thorn St. You will need to cross E. Marshall/1-57 to UU (with just a slight right).
- **65/100:** On the final leg down UU, Century riders will turn LEFT onto Highway D to connect with Co. Road 337 and 65-Mile will turn right to Hwy. D (returning on 105 as you started on the outbound).

Sharing the Rural Roads Safely

We all know Tour de Corn wouldn't be the same without our local residents and our area farmers, ranchers and related agribusinesses. They support us financially and in-kind, they provide a beautiful agricultural backdrop, they employ (or ARE) our volunteers. Goodness, Tour de Corn was even created by a local farmer! So we have a pretty special relationship with these hard-working men and women and want to show a mutual respect for everyone's safety during a busy harvest season. Some safety reminders to help make it a great ride for everyone:

Don't rely on drivers seeing you: A large portion of drivers on rural roads may just be passing through. Don't count on drivers noticing you. Instead, avoid riding in the center of your lane, and rely on your own vigilance to help prevent an accident. Make a habit of looking over your shoulder before every intersection or fork. Drivers could pass cyclists and then inadvertently turn into them as they change directions to turn. Help prevent this situation by checking for cars in any place a driver might take a right turn. Also, while we work hard to put out LOTS of "Riders Ahead" signage in opposite lanes, it's drivers could pull onto the opposite lane in order to pass a slower vehicle on single-lane rural roads. potentially without fully looking at what might be in their path. Be vigilant about the possibility of oncoming traffic.

NEVER EVER GO UNDER FARM EQUIPMENT ON THE ROADWAY...DID WE MENTION EVER???:

We bring it up because it's been done. ;-) Yep, that big piece of machinery going down the road with 8-ft clearance under it is NOT an open invitation to ride under it. Just don't. Please be safe for everyone involved. We want to see you back here for years to come!

Sources include: <https://www.californiabicyclesafety.com/5-safety-secrets-cycling-rural-roads/>

Other “niblets” of info... ;-)

Learn about MO Ag!

We love cycling. We love agriculture. We love Southeast Missouri. And we LOVE them all together. So our friends with Missouri Farm Bureau are excited to share their knowledge with you at Tour de Corn. On the 65- and 100-mile route, MOFB will be manning a rest stop complete with farmers and ranchers from across the area. Ask a question, look at corn up close. And learn about one of the most important industries in this state and our country from the people making it happen..

Just a few of our agricultural friends and partners making a difference in MO Agriculture:

Pre-Registered Riders: Your Finisher Medals are in the bag (literally)!!

Tour de Corn is offering guaranteed Finisher Medals for our pre-registered riders! If you didn't pre-register, no worries! The medals will be available until we run out. But for \$6, we will ship one to you after the ride when we place the order.

Say “Cheese”...uh “Corn”! And Send us YOUR photos!

We will have photographers running around taking photos and videos (give them a testimonial if you feel like it!) We'll post these to the Tour de Corn 2022 photo gallery on our website. Have one of your own you want to include? Just email them to info@tourdecorn.com, upload them on our website, or tag us on Facebook by including @tourdecornmo in your tag. On Instagram with @tourdecorn. Or follow us on Snapchat and TikTok! And at the Main Street Party, look for some fun backdrops that are InstaWorthy!

Rain/Weather Policy

The Tour de Corn will go on rain or shine. However, we expect you to exercise your own personal safety and only ride if you are comfortable with your own skill level and the existing conditions. We will continue SAG and rest stop support as long as there is no danger to the volunteers. Throughout the route, several of the stops have indoor facilities (Check the maps for icons on indoor bathrooms. For weather information, our closest TV/Weather stations are KFVS-12 (CBS) in Cape Girardeau, MO and WPSD-6 (NBC) in Paducah, KY. (Our zip code is 63845)

OPTIONAL Post-Ride Spaghetti Dinner

Following the event, a local youth group is offering a spaghetti dinner in the Family Life Center to help support their mission trips. It is \$8 for adults and \$5 for kids. They will offer two options of spaghetti dinners (meat or meatless) and all the fixings. **PLEASE NOTE: This is optional and is NOT INCLUDED with your ride registration fees.** If you pre-ordered, you should receive a red armband in your packet. You may also buy tickets IN CASH at the door after your ride.

Showers

The Family Life Center at the start/finish of the ride will have several free showers for your use during the Tour de Corn event. Please remember to bring your own towels, toiletries, & shower shoes!

REALLY FREE CHECKING!

A FREE account for everyone!

- \$25 Minimum Opening Deposit
- No Minimum Balance
- No Monthly Service Charge
- **FREE** Instant Issue Debit Card
- **FREE** Automatic Payments
- **FREE** Online Banking & **FREE** Bill Pay
- **FREE** Mobile Banking with Mobile Deposit

All this and more **FREE** - open your account today!

Plus, we have Really Free Business Checking too!

Minimum opening deposit is \$25. Ask us for details. Bank rules and regulations apply. Other fees such as non-sufficient funds, overdraft, continuous overdraft fees, etc. may apply. See fee schedule for details. Free gift may be reported on a 1099-INT or 1099-MISC. Free gift provided at time of account opening. Ask us about our outstanding options for your business or organization. All nationwide ATM fees will be refunded up to a maximum of \$10 per statement cycle.

© 2022 Focus Bank. Terms and Conditions apply. See website for details. *Subject to credit approval.

Get your Tour de Corn Gear on!

Show your Tour de Corn Pride! New store items available...

On Friday night and Saturday we'll have a separate store area this year with the official 2022 Tour de Corn t-shirt as well as additional Tour de Corn clothing and Gear!

So if you plan on adding some Tour de Corn gear to your closet this year, please make sure to bring a second check or additional money (as we will process them as separate transactions)...just in case!

PLEASE NOTE: due to the high demand, there is a chance we will run out of sizes/inventory of certain items. However, we will plan a second order the week following Tour de Corn and can ship them to you.

Pre-order a shirt? Check your registration bag!

If you ordered a shirt as part of pre-registration, it should be in your bag at pickup.

*Thank you,
2022 Tour de Corn
riders, volunteers, & sponsors!*

Stay
CORNnected
All Year!
